

## **Guidelines for setting up a Digimarc Discover™ Business Account**

Digimarc Corporation offers a variety of options when purchasing our products. The Online Services Portal provides you with the ability to make your purchases by credit card or PayPal. We also offer customers the option of setting up a Business Account which allows them to make monthly payments on the products they use.

If you are spending more than **\$3,000** USD per month on Digimarc Discover™ services you may qualify for a pre-set credit limit from Digimarc which would allow you to pay once a month. To apply please submit a completed Credit Application to our Credit Department. Once approved, we will invoice once a month Net 30 and you can pay by Electronic Funds Transfer (EFT), Automatic Clearing house (ACH), Credit Card or Wire Transfer. Each monthly invoice will include a report detailing your transactions.

Once you have completed the application, you can email it to: [CreditDepartment@digimarc.com](mailto:CreditDepartment@digimarc.com) or send it via fax to **(503) 469-4771**. All other credit related questions should be directed to our Credit Department email above.
